

A. SPEAKING

Please mention in front of the classroom, things that we should do to prevent COVID-19!

B. SORTING&FILLING GAPS

The Coronavirus Song Lyrics for Kids / The Less We Get Together

Oh the less we get **together/forever**

Together, together

Oh the less we get together

The **safer/saver** we'll be!

Cause COVID's not your friend

And COVID's not my friend

Oh the less we get together

The safer we'll be!

Oh the more we put our _____ on,

Our masks on, our masks on,

Oh the more we put our masks on,

The safer we'll be!

Cause COVID's not your friend

And COVID's not my friend

Oh the less we get together

The safer we'll be!

Little girl (spoken): And you know what else?!

Oh the more we **was/wash** our hands clean

Our hands clean, our hands clean

Oh the more we wash our hands clean

The safer we'll be!

Cause COVID's not your friend

And COVID's not my friend

Oh the less we get together

The safer we'll be!

Oh the less we get together

Together, together

Oh the less we get together

The safer we'll be!

Cause COVID's not your friend

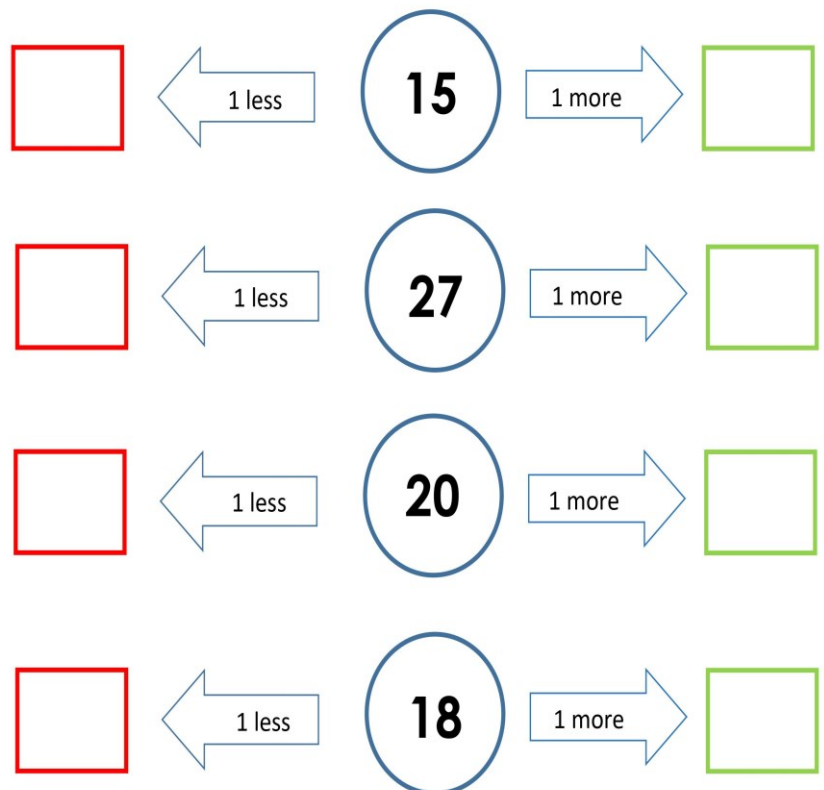

And COVID's not my friend

Oh the less we get together

The safer we'll be

D. LESS AND MORE

One less – one more

C. LYRIC INTERPRETATION

Please write some lists that we can do to prevent and against COVID-19?

To do List
